Health and Safety Policies

ICAR is committed to providing a safe, productive, and welcoming environment. While we are excited to gather again in-person, we recognize that COVID is still a risk. All participants, including, but not limited to, attendees, speakers, sponsors, volunteers, ICAR staff, service providers, and others are expected to abide by policies in effect for the event. We will continue to monitor and update safety precautions for ICAR2022 regularly and coordinate with national, state, and local public health agencies, and the hotels/venues hosting ICAR2022.

Mask Policy

On March 12, 2022, Seattle lifted its indoor mask mandate and the [CDC launched new guidance regarding COVID-19 Community Levels](#). Masks are not required in most public indoor venues including the conference hotel. However, masks are still required on all public transportation, including buses, taxis and ride share services, and some private businesses may still require masks. ISAR will continue to follow local and venue guidelines. ISAR encourages you to do what is right for your individual circumstances. We realize that many individuals will still choose to continue to wear masks. Please be respectful of everyone's individual choices.

Vaccination Status

Starting March 1, 2022, Seattle will no longer require proof of full vaccination or a negative COVID test to enter certain indoor and outdoor events and establishments which includes the Renaissance Seattle Hotel. ICAR staff will not require or check vaccination status at registration. However, please note that if you are traveling from outside the United States, you must comply with U.S. travel restrictions which are still in place for international visitors. Please note that proof of COVID vaccination or a negative test is still required at restaurants, bars, indoor recreational venues, and outdoor events with more than 500 people, so please plan accordingly.

Social Distancing

ICAR will provide socially distanced seating and adjust event space set-up as possible to allow individuals who wish to physically distance while in sessions to do so comfortably. Hand sanitation stations will be placed throughout the hotel and ICAR staff will ensure plenty of sanitizer is on-hand for attendees' use.

ICAR urges attendees to be respectful of their fellow attendees' comfort level. Please be thoughtful about preferences for hugs, handshakes, elbow bumps or simple waves; leave seats open between each other where and as space allows; and accommodate colleagues' personal space preferences. There will be stickers onsite for attendees to place on their badges to make it easier to identify fellow attendees' comfort levels: **green = hugs/handshakes ok**, **yellow = elbow or fist bumps**, **red = distance please**.

Hotel's "Commitment to Clean"

The Renaissance Seattle Hotel is following Marriott's "Commitment to Clean", which includes enhancements to standard cleaning efforts – enhanced public space cleaning, electrostatic spraying, and reduced contact with guests by eliminating housekeeping services unless stay is longer than 7 days. Conferences will have fewer touch points such as water stations, instead of pitchers on tables and frequently changing utensils for buffet service. COVID Testing

Please reference King County COVID-19 testing for testing sites. The closest testing site to the Renaissance Seattle Hotel is at the Washington State Convention Center (705 Pike St, Seattle, WA 98101), just four blocks down 6th street from the Hotel (5 minute walk). Curative provides testing services Monday-Friday from 10:00am to 6:00pm and administers rapid and PCR tests with turnaround time of 1 to 2 days for results. Walk-ins accepted or appointments may be scheduled. There is no out-of-pocket cost for the test, and it is available for both insured and uninsured; but insured must still provide insurance information. **For more information or to schedule an appointment:** <https://book.curative.com/search#9/47.6068/-122.3305>

Conference Meals

Continental breakfast will be provided Tuesday through Friday in the Courtyard Foyer. There will also be morning and afternoon breaks each day. Light food and beverages will be provided on Tuesday, March 22 at Poster Session 1. Lunch will be provided on Wednesday, March 23 during Poster Session 2. Other than Wednesday, attendees are responsible for their own lunch, but there are numerous restaurants within close walking distance to the hotel.

Social Media – Be Sociable – Share!

NEW THIS YEAR! We are crowdsourcing our Conference photos, so all onsite attendees are encouraged to share their best photos from the Conference (sessions and networking events) using **#live!CAR2022**. Please do not include any presentation content in the background of your photos.

Getting Around

Once you have arrived in Seattle, getting around is easy. The hotel is close to two Light Link Rail stops: Pioneer Square Station and University Street Station (both about 5 blocks from the hotel). You can purchase an ORCA card which can be used on streetcars, light rail, buses, and more. Note that they do not work on Washington State Ferries or the Seattle Center Monorail). ORCA cards cost \$5; load an all-day regional transit pass onto an ORCA card for \$8.
